Dear Patent Department,

The following forms are in relation to the included petition to accept my *unintentional delayed payment maintenance fee*. Unfortunately my old attorneys at Darby & Darby failed to notify me of any fees due. In addition, they NEVER changed the contact address information (for which I've recently faxed to you- I'm no longer working with them). This fee (plus the additional Surcharge fee- a total of $2,820) is concerning my patent 6,028,626.

I'm hoping now I won't fall behind again with my maintenance fees and that as soon as possible ALL mailing correspondence from the USPTO for both of my patents (6,028,626 as well as 5,666,157) will go to my current address:
